

I. CURRENT EMPLOYMENT

Since
2020

European Bank for Reconstruction and Development (EBRD), Cairo, Egypt.

Managing Director

Southern and Eastern Mediterranean (SEMED), based in Cairo

- Responsible for the formulation and delivery of EBRD's strategy, policy dialogue and business plan for the SEMED region currently including Egypt, Jordan, Morocco, Tunisia, Lebanon and West Bank and Gaza.
- Responsible for the future operational expansion to Algeria, Libya and Iraq
- Managing a team of 200 staff across six countries with an annual business volume of over € 2 bn.
- Member of the Senior Leadership Group of the EBRD
- Responsible for the operationalisation of the future expansion to Sub Saharan Africa (SSA) approved by EBRD Governors in 2023

2017

European Bank for Reconstruction and Development (EBRD), Amman, Jordan.

–
2019

Regional Director Eastern Mediterranean,

Jordan, West Bank and Gaza, Lebanon, based in Amman

Highlights:

- Overseeing the successful expansion of the EBRD to Lebanon: build-up of a local team in Beirut; signing of EUR 244m in the first full year of operation; building a policy dialogue footprint in Renewable Energy and PPPs including at the CEDRE conference, managing and coordinating EBRD's crises response in Lebanon after the October 17 public uprising.
- Leading successful negotiations with the Palestinian authority and the Israeli government on the ground in Ramallah and Jerusalem in relation to EBRD's engagement (including strategic priorities, multilateral status, privileges and immunities, and operational set up); highlight the first impact bond signing for youth employment in West Bank and Gaza and financing of the role out of a Jordanian medical laboratory outfit across the West Bank;
- Spearheaded EBRD's taskforce streams assessing the possible expansion to Syria and Iraq as part of the Strategic Capital Framework 2021-2025.
- First EBRD global annual meeting in the Middle East in 2018: leading the negotiations with the Jordanian Government to ensure a successful, impactful and innovative AGM with the highest level country representation (both majesties actively participated in the event), including wide visibility in all media.
- Advancing Green Economy transition across the Levant with an average of over 60% GET, highlights are the signing of first green bond in Lebanon, first private to private solar investment in Jordan; turn-around reform programme for the state-owned National Electricity Power Company (NEPCO) in Jordan and first ever sub-sovereign financing of the Greater Amman Municipality which is also now part of the EBRD Green Cities Initiative.

2013

Head of Office, EBRD, Jordan

–
2017

Highlights:

- Setting up the first EBRD office in Jordan (including negotiations with the government on EBRD's strategic priorities, multilateral status, privileges and immunities, building a team of 12 professionals in the first year and growing it to 20 by mid-2017).
- 180 mn EUR of investment projects signed in the first 12 months; crossing the 1.3 bn USD investment threshold at the end of 2018.
- Leading the first EBRD country strategy for Jordan (key focus on sustainable energy, inclusive growth and viable municipal infrastructure).
